Shutter control [v.1]

For want of a better world:
A shutter control.

Free from in-conclusive evidence between
virtual realism and what's not…

media to
display unknown casualties:
ikonos
eikōn *icons* *ico*

"eye for an eye tooth for a tooth!"

Free from in-conclusive evidence between
experienced realism and what we have got …

media to
please an array of martyrs:
eikōn
icons *ico* *ikonos*

"eye for an eye tooth for a tooth!"

Free from in-conclusive evidence between
idealism and public minds' bought…

media to
say a short message service:
icons
ico *ikonos* *eikōn*

"eye foran eye tooth for a tooth!"

Free from in-conclusive evidence between
terrorism and the fanatical lot…

media to
play with interactive extremities :
ico
ikonos *eikōn* *icons*

"eye for an eye tooth for a tooth!"

For want of a better word:
A blindfold.
